Entry requirements and visa information for

Czech Republic

We list information for some Passport countries below. Other (and all) Passport holders/nationalities should check the latest entry requirements applicable to them (you can use the link provided). A valid Passport is needed to travel, and may require at least 6 months validity from the last day of travel.

The borderless region known as the Schengen area includes Austria, Belgium, the Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Italy, Latvia, Lithuania, Liechtenstein, Luxembourg, Malta, the Netherlands, Norway, Poland, Portugal, Slovakia, Slovenia, Spain, Sweden, and Switzerland. Each of these countries issues a standard Schengen visa that has a multiple entry option, and allows the holder to travel freely within the borders of the other Schengen countries. All visitors must hold either an onward or return ticket, or proof of sufficient funds to buy a ticket, plus all documents required for onward travel. They must also fill in and sign a border-crossing card, and be able to show proof of the following at the request of the Authority of Aliens Police Service: (i) sufficient means of support for the duration of their stay; (ii) documents confirming financial security (credit cards, bank statements, etc.); (iii) documents confirming accommodation for their period of stay in the Czech Republic, or proof of another accommodation arrangement; (iv) valid health insurance, with complete coverage. It is highly recommended that visitors' passports remain valid for at least six months beyond their arrival dates. Visitors should also bear in mind that immigration officials often apply different rules to the ones travel agents and official sources state.

A visa is not required for passports endorsed British Citizen. No visa is required for holders of passports endorsed British National (overseas), British Overseas Territories Citizen (containing a Certificate of Entitlement to the Right of Abode issued by the United Kingdom), and British Subject (containing a Certificate of Entitlement to the Right of Abode issued by the United Kingdom).

Notes:

- **Limitations of Liability**

International Passengers on Limitations of Liability:

Passengers embarking upon a journey involving an ultimate destination or a stop in a country other than the country of departure are advised that the provisions of an international treaty (the Warsaw Convention, the 1999 Montreal Convention, or other treaty), as well as a carrier's own contract of carriage or tariff provisions, may be applicable to their entire journey, including any portion entirely within the countries of departure and destination. The applicable treaty governs and may limit the liability of carriers to passengers for death or personal injury, destruction or loss of, or damage to, baggage, and for delay of passengers and baggage. Additional protection can usually be obtained by purchasing insurance from a private company. Such insurance is not affected by any limitation of the carrier's liability under an international treaty. For further information please consult your airline or insurance company representative

- **International Child Rules**

IMPORTANT INFORMATION REGARDING CHILDREN TRAVELING OVERSEAS:

Goway strongly recommends that children carry a consent letter if they are travelling abroad alone, with only one parent/guardian, with friends or relatives or with a group. For the purposes of this consent letter, a child is defined as anyone who is under the age of majority at the time of travel.

A consent letter may be required, or it may simplify travel, as it may be requested by immigration authorities when entering or leaving a foreign country or by officials when re-entering the USA/Canada. The letter demonstrates that children have permission to travel abroad from parents or guardians who are not accompanying them.

- **International Driver's License**

INTERNATIONAL DRIVER'S LICENSE

Please be advised: An official international driver's license is required in the EU to rent a vehicle. You may be denied collection of car rental or you may be fined by local police if you are pulled over and fail to produce the official document. Please enquire with your travel advisor if you have questions on where to get an international drivers license.

INSURANCE:

We recommend Travel Insurance for all travel. Travel Insurance offers protection for unforeseen trip cancellation. Accidents and illness prior to or during travel can affect not only your trip, but may result in high medical expenses and extra costs, as can weather and flight delays. Any such expenses and costs are the traveller's responsibility, and they shall not be entitled to any refund from Goway Travel, of monies paid, for any unused or lost travel arrangements. Travel Insurance protects against such costs, subject to the insurer's policy conditions. Some countries now require proof of adequate travel medical insurance before allowing entry. Goway Travel and its subsidiaries will not be responsible for any loss or costs incurred for events that are beyond our control, and will apply any fees and charges in accordance with our Booking Conditions. We recommend Travel Insurance always!

FORCE MAJEURE:

We shall not be liable for any claims, losses, damages, costs, expenses, delays or loss of enjoyment, of any nature or kind whatsoever, resulting from events beyond our or a supplier's reasonable control, including but not limited to acts of God, strikes, lockouts or other labour disputes or disruptions, wars, blockades, insurrections, riots, earthquakes, weather conditions, floods or acts or restraints imposed by government authorities.

TRAVEL DOCUMENTS:

Travel documents and tickets, joining and departure details, supplier addresses and phone contacts will be sent after receipt of final payment.

Note: Entry to another country may be refused even if the required Information and Travel Documents are valid and complete.

PASSPORTS/VISAS:

A passport valid for six months beyond date of travel is required for entry into all countries. Visas may be required for certain countries; please inquire for details. Please check with your agent at time of booking if visas are still required for these or other countries. If you are not travelling on an American or Canadian passport, it is imperative that you also check visa requirements for all of the destinations you will be travelling to or transiting through. Ultimately, it is your responsibility to ensure you have the correct documentation.

LIVING STANDARDS AND PRACTICES AT THE DESTINATION:

These may differ from those found in your country of Origin. The standards and conditions in other countries with respect to the provision of utilities, services and accommodation may also differ from those found in your country of origin.

PRICES:

Because of the volatility of exchange rates for many of the destinations Goway offers, we recommend you confirm our price at time of booking. All prices are subject to change or surcharge. Once we have received your deposit you will be given the opportunity to pay in full to avoid any price increase (in the rare case it occurs). If the total price of the travel services increases and the cumulative increase, except any change in government taxes and fees, is more than 7%, the customer has the right to cancel and obtain a full refund. No price increases will apply after the balance is paid in full, except for government charges, such as National Park fees, taxes, and any fees paid locally in destination, that may increase at any time. These are outside of the control of Goway or its suppliers, so must be paid by the customer, even if the booking has been paid in full.

AMENDMENT FEES:

Once a booking has been made, any change is subject to a communications fee of \$25 per change. Once documents have been issued, any change will be subject to a minimum administration fee of \$50 in addition to communications charges. Suppliers may also charge fees to change certain travel arrangements, and in some cases a change to a booking may see some items assessed for cancellation fees if a change of service or supplier occurs. Please discuss with your travel agent before making the decision to change or cancel any booking item, as it may be considered as a partial booking cancellation depending on the timing and nature of the change.

BOOKING REQUIREMENTS:

With all the great travel ideas we offer, it should be easy for you to choose a long holiday. If, however you are not tempted to purchase a minimum of 7 days, we must charge a booking fee of \$50 per person. This will be added to your trip price unless Goway issues your international air ticket.
